4) Update of High School group-Texting Awareness Campaign - Jenni Burnette had a group of students during "Extended Learning Opportunities" week, work on this. They interviewed students about texting and driving, created a video, designed a t-shirt and bumper stickers and created a "contract" and those students who sign a contract will get a bumper sticker. 2 posters were created, the cost to have made is \$85. Jennie got a \$250 grant which would allow them to pay for one poster and Jennie was hoping that the Safety Committee could contribute to having the second sign made. The rest of the grant will pay for speakers and a golf cart demonstration. Andy asked if this Committee could help in any way.

5) Website update - Denise has started working on the safety website and will send the link to the committee members to review and make comments. Graphics is coming.....

6) Other - Andy had invited Jeff Vermette from Cross Insurance to a future meeting. Hopefully we will see him.
