4) Sand Barrell naming contest - Denise Stuart will come up with a flier defining the sand barrell contest. The winning school will receive \$50.

5) Safety Survey Proposal - Peerless Ins - Update - Andy emailed and called Mike from Peerless on how to get going with this. Haven't heard back yet.

6) Yellow Dot program - Molly Brake from the Town of Naples to make us aware of the "Yellow Dot Program". There is a yellow dot sticker that goes on the rear window, drivers side. Then there is a folder that goes in the glove box that includes any medical information that first responders might need if someone was in an accident. Molly came to us thinking that students are a great population for this program.

7) OSHA - Safety Works Inspection - Our District has been selected for an official OSHA inspection. They will be out December 26th and 27th to get into classrooms when kids aren't there, then they will finish up after the break. Andy will be meeting with Head custodians to go over information and has sent information to Administration.

Andy will send out the Fire Marshall's Christmas Tree policy.
