Agenda:

- 1) Welcome - member check-in - Interest is fizzling out on the contest. Central Office training on the AED.
  - 2) Review Staff & Student Monthly Injuries - Only 1 staff injury this month..yeah! This particular employee has been injured 3 times since Sept and all student related. Student injuries, still not being reported at the elementary level. Discussion with nurses will hopefully change this,
  - 3) Draw safety contest monthly winners -
    - SLS - Rick McConkey, Angela Shiers
    - CO - Amanda Fusco, Marielle Jackson
    - LRMS - Kathy Wentworth, Melissa Wheeler
    - LRVC - None
    - Transp - Bruce Harmon, Vicki Crosby
    - SBES - Sharon Rogers, Gayle Granger
    - LRHS - Scott Dyer, Linda White
    - Adult Ed - Ryan Adams, Meghan McGlaughlin
    - CRACEC - Rick Lange, Barbara Moulton
    - SES - Anita Quinlan, June Berry
- Any ideas for stimulating more involvement? Make signs of current winners to post. Send emails reminding people about the program.
- 4) Discussion with School Nurses on Injury reporting - Deb P. reported that there are certain incidents that warrant a report, which would be an injury that is reported to parents and referring to a doctor. Deb probably sees 15 to 30 kids a day for typical bumps and bruises, but this is expected with elementary age students still developing. The Principal now requires that classroom teachers go outside with their classrooms. This has cut down on the amount of injuries due to better supervision. A rubric is needed so that all locations are reporting the same kinds of incidents. The nurses will work together on a rubric and report back.
  - 5) Update of High School group-Texting Awareness Campaign - Jennie Burnette sent an email update. They have received a grant and are working on a video, posters, flyers and a bulletin board. They are organizing something for National Awareness Day in March.
  - 6) Website update - Denise has started working on the safety website and will send the link to the committee members to review and make comments. Graphics is coming.....
  - 7) Other - See everyone "next year"!
